GABRIEL W. GORENSTEIN, UNITED STATES MAGISTRATE JUDGE

Based on the content and formatting of Docket # 32, the Court construes Docket # 32 as an Amended Complaint. The Clerk is directed to correct the docket entry name to so indicate.

Because Docket # 32 is now the operative pleading, the defendants' prior motions to dismiss (Docket ## 12, 21) are deemed withdrawn. Defendants shall either answer or move with respect to the Amended Complaint on or before July 30, 2020. Any opposition is due August 21, 2020. Any reply is due September 3, 2020.

In light of plaintiff's pro se status, the defendants should construe the Amended Complaint as including the factual allegations in the original complaint (Docket # 2) to the extent those factual allegations do not conflict with factual allegations in the Amended Complaint.

SO ORDERED.

Dated: July 16, 2020
New York, New York
